Portfolio: <https://lanshiboi.github.io/portfolio-resume/>

OBJECTIVE

Fresh graduate with a Bachelor of Science in Computer Science degree, seeking an entry-level position where I can apply the skills gained through my education, training, and projects. Willing to learn new skills, adapt to different work environments, and contribute to the organization while gaining professional experience.

EXPERIENCE

Software Developer Intern (On-The-Job Training)

Zambales I Electric Cooperative Inc. (ZAMECO I)

Jan 2026 – May 2026

Palauig, Zambales, Philippines

- Performed data entry and encoding of member and billing records, ensuring accuracy and consistency across company databases.
- Processed and organized paper-based documents and files, supporting the office's day-to-day administrative workflow.
- Used Microsoft Excel VBA to automate repetitive data processing tasks, improving speed and reducing manual errors.
- Assisted staff with general clerical and office support tasks as needed.
- Automated the collection of ERC and NEA regulatory documents by developing Python and Selenium web scraping solutions, reducing repetitive manual data gathering.

ERC & NEA Document Management System

Full-Stack Web Developer

- Developed a responsive web application using HTML, CSS, JavaScript, and Vite to centralize ERC and NEA regulatory documents.
- Implemented 3 key document management features: search, filtering, and document organization for faster information retrieval.
- Designed a responsive user interface that simplified document navigation and improved overall accessibility.

PROJECT

MangoRipe - Mobile Application for Mango Ripeness Classification

- Developed an offline mobile application using Flutter and Dart for identifying mango ripeness through image classification.
- Classified mangoes into Unripe, Partially Ripe, Ripe, and Rotten categories.
- Implemented image capture and image upload features for mango analysis.
- Integrated a trained deep learning model into the mobile application.

CERTIFICATIONS

- Certificate of Participation, "Exploring JavaScript Essentials: Building Blocks for Web Applications," PRMSU-CCIT ASCII (April 26, 2024)
- Certificate of Completion, On-the-Job Training (600 hours), ZAMECO I, Corplan Department (January 26 - May 22, 2026)

EDUCATION

Bachelor of Science in Computer Science

President Ramon Magsaysay State University, Iba, Zambales

2022 - 2026

CORE SKILLS

Technical: Data Entry & Encoding, Basic Data Analysis (SQL), Microsoft Excel (VBA/Macros), Mobile Application Development (Flutter, Dart), MS Office Suite, Web Development (JavaScript, PHP, MySQL), AI-Assisted Tools (ChatGPT, Claude), Problem Solving

Soft Skills: Teamwork & Collaboration, Critical Thinking, Adaptability & Flexibility, Attention to Detail
